## Club Membership: Information and Costs

2012

*Clay shooting at its best*

### ***Who are we?***

The Star Gun Club is a private members, clay shooting Club; set in the rolling countryside of Malden Rushett in Surrey. We hold our meetings on the second and fourth Sundays of each month; with our club house open for refreshments from just after 09.00 a.m. Shooting commences at 09.30 a.m. and concludes following last entries at 12.30 p.m.

### ***How much does it cost?***

The annual membership subscription to the Club for 2012 is £85 (single) or £95 (family). Family membership includes a couple living at the same address and any children less than 18 years of age at the time of joining.

At the time of joining and on subsequent renewals the members are also required to pre-pay for three 60 bird shoots at £17 each (£51). These pre paid shoots can be taken at any time and if used for 80/100 bird shoots the difference in cost is paid at the time of shooting. Members under the age of 18 currently shoot without charge.

The Club also has a joining fee of £150; this is a one off fee payable by new members. Family members moving into full membership after the 18<sup>th</sup> birthday do not pay this joining fee.

### ***How do I apply for membership?***

We operate a waiting list of new applicants for membership, from which we take new members each year depending on the available space in the Club, usually in January/February of each year. If you would like to be placed on our waiting list to be considered for membership please complete the membership application form attached and return it to the Club Secretary. Please note that you need to be nominated on this form by a current member of the Club. This is a formality to ensure that all our new members are competent particularly in matters of gun safety. Only applicants with valid shotgun licence details and a completed application form may be invited to join the Club.

If you are not currently known to a member please make contact with the Secretary or another Committee member who will make arrangements for you to visit the club and arrange for nomination where appropriate. The club also at its discretion takes members throughout the year as permitted by normal movements in club membership.
